

NEW!!

Introducing the new **SL-501** Key Storage Lock Box to our KeyGuard Line!

The SL-501 has the same larger capacity, all metal body as our wall mount version SL-590

Fits key fobs, access cards and more.

One of the largest storage capacity lock boxes on the market.

Same, convenient number or letter combinations with the familiar phone keypad face.

SL-590

SL-501

SL-500

Great for vehicles without hitch receivers!! See our HitchSafe for receivers.
