## NEW!!

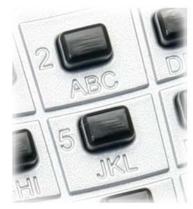

Introducing the new SL-501 Key Storage Lock Box to our KeyGuard Line!

The SL-501 has the same larger capacity, all metal body as our wall mount version SL-590

Fits key fobs, access cards and more.

One of the largest storage capacity lock boxes on the market.

Same, convenient number or letter combinations with the familiar phone keypad face.

Great for vehicles without hitch receivers!! See our HitchSafe for receivers.
